

Mahidol University Announcement

Criteria and Fee Rates for Ethics Review of Human Subject Research and Research with the Use of Animals for Scientific Purposes, B.E. 2567 (2024)

.....

This announcement is issued to ensure that the criteria and fee rates for the review of human subject research projects submitted for ethics review to the Central Institutional Review Board, Mahidol University as well as research projects with the use of animals for scientific purposes submitted for ethics review to the Central Institutional Review Board, Mahidol University are appropriate for the current circumstances.

By virtue of Article 12 of Mahidol University Regulation on Budget and Financial Management, B.E. 2551 (2008), and its amendments, the president of the university issues the announcement with details as follows:

Article 1 Mahidol University Announcement on Criteria and Fee Rates for the Review of Human Subject Research submitted for Ethics Review, B.E. 2562 (2019) issued on 27 December 2019 shall be repealed.

Article 2 In this announcement,

“Research project” refers to human subject research projects submitted for ethics review to the Central Institutional Review Board, Mahidol University or those involving the use of animals for scientific purposes submitted for ethics review to the Institute Animal Care and Use Committee, Mahidol University.

Article 3 The criteria and fee rates for the ethics review of research projects are as follows:

3.1 Review of new research projects is categorized into two types.

(1) Review of non-funded research projects, or those funded by the university, public agencies, or non-profit local or international organizations will not incur a fee.

(2) Review of research projects funded by private-sector organizations, or local or international organizations operating for profit will incur a fee of 10,000 baht per project.

3.2 Review of project continuation including extension of certificate of approval (CoA), amendments to research protocols, or reports of adverse events concerning research participants will not incur a fee.

Article 4 Payment of the review fee for research projects funded by private-sector organizations, or local or international organizations operating for profits must be made upon submission of the project for review. In this regard, a letter confirming the payment must also be submitted to the Center of Ethical Reinforcement for Research, Mahidol University.

Article 5 In cases where a relevant organization issues additional criteria and fee rates for the ethics review of research projects beyond those specified in this announcement, the announcement of the respective organization shall apply.

Article 6 The fees collected under this announcement shall be included as university revenue in accordance with Mahidol University Regulation on Budget and Financial Management, B.E. 2551 (2008) and its amendments.

Article 7 Should there be any difficulty in implementation according to this announcement, the arbitral power shall be made at the discretion of the president of the university, and his decision is considered final.

Henceforth, this announcement shall be in effect.

Issued on **5** November 2024

(Professor Piyamitr Sritara, MD, FRCP)

President of Mahidol University
